LAB SYLLABUS
Geography 133 – Tropical Meteorology, Fall 2009
Professor: Leila Carvahlo
TA: Shaina Forsyth
sforsyth@umail.ucsb.edu

Lab sessions meet once per week in Ellison 3620.
   Lab A: Tuesdays 3:00-3:50
   Lab B: Thursdays 1:00-1:50

ASSIGNMENTS
At each lab session, a new lab homework will be assigned. Students will have one week to complete the lab assignment and turn in to the TA. Assignments must be turned in by the time lab starts the following week, OR THEY WILL BE CONSIDERED LATE.

GRADING
Lab assignments and participation compose 30% of the total course grade. Your lab/homework grade for the course will be broken down as follows:

   Lab Assignments/Homework: 25%
   Lab Attendance: 5%

LATE ASSIGNMENT POLICY
For each day that a lab is turned in late, the grade on the assignment will be dropped ONE LETTER GRADE (for example, an “A” assignment that is turned in 1 day late will be dropped to a “B”, or will be dropped to a “C” if it is turned in 2 days late). If an emergency arises that prevents you from turning in your lab on time, please contact me as soon as possible and I will evaluate such situations on a case by case basis.

OFFICE HOURS
Lab office hours will be held Monday and Wednesday mornings from 9:00 – 9:50, in Ellison 3620, the computer lab.
